2006 Issue 1

What's Happening This Month

The first monthly meeting of 2006 was held at Shoney's on January 10th. Those attending were Tim and Alex Treneff, Don and Linda Snyder, Dave Huff, Jeff Layman, and Jim Wilson.

There was no treasures report and the last meeting minutes were read and approved.

Old business consisted of approving May 20th (the third Saturday in May) as the date for our annual Fly-In, approval of a sanctioned combat meet on June 24th, and the discussion of hosting a helicopter meet later this summer. Two other items of old business discussed were Skyfest and our website. Skyfest is on again and we hopefully will be participating in the aerial demonstrations at this event. More information will be published to the club later in the year. Our website has been moved to a new server in order to save costs. The move is transparent to all users and the web page address is still <http://www.wtrcf.com> or <http://www.wtrcf.org>. Both will get you to our club web page.

New business included lawn mower maintenance, the purchase of a used (new to the club) mower, weed killer/pre-emergence chemical application, purchase of new rope for the rope line, and our 2006 T-Shirt order. Mower maintenance will be beginning in the month of February. Any and all assistance in helping out with that project would be deeply appreciated. The club looking to find a replacement for the old John Deere riding lawn mower. John Deere is our preferred brand but feel free to contact Tim Treneff if you know of a good candidate to replace our old Green Machine. As many of you know, the rope for the rope line is nearing the end of its useful life. Therefore it was approved to purchase new rope for the rope line at the pits. Our club t-shirt for 2006 was discussed and due to the interest shown in the polo shirts last summer, we will be looking at purchasing that type of shirt for 2006. The last item of new business was congratulations to Ricky Gately on the birth of his new helicopter pilot. We will be looking forward to seeing him out at the field.

What's Happening Next Month

The February meeting is scheduled for Tuesday, February 14th at 7:00 PM at Shoney's on North Highland in Jackson. During that meeting the club will be electing its 2006 Club Officers. By the time this new letter is published, all club members should have a copy of an officer nomination form coming to them via E-Mail (if I have your correct e-mail address) or via the US Postal service (if I do not have an e-mail address). Please feel free to nominate eligible club members for each office listed that you feel will fulfill the duties and obligations required the applicable office.

If you plan on flying at the field, you must have your current 2006 AMA license. The 2006 license is blue in color and will be used to identify those permitted to fly at the club field.

Also remember that 2006 club dues are due on March 1st.

From The Editor

Any comments (Good or Bad) on the new format will be deeply appreciated. I am working with a new computer, new software, and hopefully on some new stories from/for the club. Anyone wishing to contribute can e-mail the information to me at the following e-mail address : Secretary@wtrcf.org

Jim Wil-
